In response to recent actions by the General Assembly of the PCUSA related to ordination and confessional standards, the Session of First Presbyterian Church:

- 1) Is in strong disagreement with the actions taken to change ordination standards.
- 2) Will not compromise their long-standing commitment to historical, orthodox and reformed interpretations of Scripture.
- 3) Absolutely commits to continue to follow Jesus Christ, who alone is the head of the church and the only way of salvation.
- 4) In response to God's grace, commits to continue to strive to live faithful and obedient lives, both individually and corporately, in accordance with the Scriptures, which includes faithfulness in marriage between a man and woman and celibacy in singleness.

We ask all members and friends of First Presbyterian Church San Diego to pray with us as we seek God's will as to the best way to respond to the recent actions of the General Assembly.

The Session of First Presbyterian Church,
Approved by unanimous vote on July 1, 2008.
